

# Photoinduced Processes in Nucleic Acids and Proteins

Faraday Discussion

11–13 January 2018, Kerala, India

[rsc.li/fd2018](http://rsc.li/fd2018)

## Themes

---

**Light-induced charge and energy transport in nucleic acids and proteins**

**Photocrosslinking between nucleic acids and proteins**

**Light-induced damage and repair in nucleic acids and proteins**

**Bionanophotonics**

## Committee

---

**Mahesh Hariharan (Co-Chair)**

IISER-Thiruvananthapuram, India

**Anthony Watts (Co-Chair)**

University of Oxford, United Kingdom
